

Blue Ridge Festival of Bands

Presented by the Brookville HS in conjunction with
Liberty University

Date: 9/23/2017

The bands participated in clinics with the judging panel during the afternoon and all performed in exhibition during the evening. Scores were given to the bands individually as a means of educational feedback but were not compiled into a contest recap. Many thanks to the participating bands for their performances and to Brookville HS and Liberty University for being outstanding hosts.
